

Site Tour + Dinner Meeting Presentation

Energy Efficiency (EE) and Combined Heat and Power (CHP) for Wastewater Treatment Facilities

Glenbard Wastewater Authority, Glen Ellyn, Illinois (Site Tour)

Reserve 22, Glen Ellyn, Illinois (Dinner Presentation)

Date: Monday, November 6, 2017

Time: 4:00PM – 8:15PM

Tour the Glenbard Wastewater Authority (GWA) and learn how GWA has been implementing energy savings projects, including their recent 760 kW Combined Heat and Power (CHP) system, installed in 2016. In addition, learn how ComEd and Nicor Gas are offering energy efficiency incentive rebates on energy efficiency and CHP projects to wastewater treatment facilities and other applicable sectors (up to \$2.5MM per project).
